TO WHOM IT MAY CONCERN

This is to certify that Mr. Tridip Panja, a 3rd year BTech student in Information Technology at the Calcutta Institute of Engineering and Management, has successfully completed a Summer Internship on the project entitled "Antibiotic Resistance Drug Classification from Nucleotide Sequences using Language Models". The internship was undertaken under the guidance of Dr. Kausik Basak from JIS Institute of Advanced Studies and Research, JIS University. Mr. Panja served as a Project Intern at our institute from July 11, 2025 to August 11, 2025, during which he consistently demonstrated dedication, sincerity, and commendable performance in all his assigned responsibilities. I would like to extend my best wishes to him for continued success in his academic and professional journey.
